## What is Vetsource Home Delivery?

With Vetsource® Home Delivery, you get everything you need to run a successful online pharmacy — an easy-to-use platform, a time-saving ePrescribing tool, and a team of experts that support you every step of the way.

You can easily sell medications and nutrition to your clients and have products delivered right to their front door with free shipping.\* Plus, by using Home Delivery as a complement to your in-house inventory, you'll increase staff and space efficiency due to fewer in-house stocking needs.

\*Free shipping on orders over \$49, food, AutoShip, and RemindMe orders in the continental U.S.

## Why Vetsource?

- ✔ **Trust who you're doing business with.** Our fees are straightforward, with no hidden costs. We also never use, sell, or share client or patient data without your permission.
- ✔ **Maintain complete control over your online pharmacy.** You determine your product selection, pricing, and email marketing.
- ✔ **Never worry about your patients' safety.** Every prescription passes through industry-leading safety checks performed by our team of veterinary-trained pharmacists.
