

Explore the Benefits of the **SMART RABIES TAG**

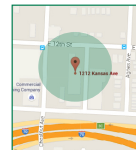

for veterinarians and pet owners

A State Approved
Aluminum Rabies Tag
imprinted with a QR code
to get you instant access
to your pet's information.

With a Quick Scan of the QR code on a **SMART RABIES TAG** you can

- Access your pet's complete medical and vaccination history on the digital **Pet Health Data Record**
- Get your lost pet back home fast with the **GPS Locator**
 - When scanned by PetFinder from a smartphone the **GPS Locator** sends a text or email alert to the owner telling them exactly where pet was found. **This gets a lost pet home fast!**

* Patent Pending

Top 3 Scanner apps are I-Nigma, Scan's and NeoReader.

All SMART TAGS come with 3M protective film that utilizes scratch resistant technology.

To Order the Smart Rabies Tag contact your authorized distributor.

HOW THE **SMART RABIES TAG** WORKS

1. Veterinarian sends pet home with the **SMART RABIES TAG**
2. Pet parent registers pet online with a 5 Character Pet ID
3. Profile is created
4. Pet goes missing
5. **SMART RABIES TAG** is scanned
6. Pet parent receives a text message
7. Pet parent sees the pet's location on Google Maps
8. Lost pet is returned to pet parent
9. Minimum order 10 and increments of 5 thereafter

The **SMART RABIES TAG** also provides a digital Pet Health Data Record with the following information with just one touch:

- Pet's Picture
- Name
- Breed
- Color
- Sex
- Date of Birth
- Status
- Reward
- Altered
- Weight
- Veterinarian Contact Information
- Owner Contact Information
- Rabies Tag #
- License Tag #
- Pet Insurance #
- Medications
- Allergies
- Vaccinations
- Wellness Exam
- Notes
